RE: The Estate of Dagmar Hanemann

Dear Ari,

I would like to take this opportunity to say "Thank you" for all you have done for our family. I apologize if I got on your nerves sometimes but you were always patient and gracious to me. I never gave up hope because of you.

I know your business is stressful and everybody has questions but you were always there for me either on the phone or via e-mail. You and your company have done your job very well. Please express my gratitude to all who worked on this estate for us.

What a surprise you give to people when you tell them about inheritance they never knew about it. I know I was skeptical at first but you made a believer out of me.

Thank you again for all you have done.

Sincerely,

A handwritten signature in cursive script that reads "Gaby Brown".
