Dear Mr. Morse,

I received your check this morning from the estate of Madeline Oliver.

I want to thank you for all you did in my behalf. Madeline was a relative I didn't know I had so it was a pleasant surprise to hear from you. You handled everything just as your letter claimed.

I have one request - there are probably other relatives I don't know about and I wonder if I might have a list of their names and addresses.

Thank you,
Ida F. Graham
