Subject: Kiefer Estate

Dear Sir:

Enclosed is the signed release infolding the distribution of funds for the Kiefer estate.

I thank you for the business like manner of handling this foreign estate and for tracking us down in the first place. As indicated in early correspondence, there was no cash outlay on my part except for the cost of obtaining a copy of my birth certificate. Your methods in this matter appear to be honest, knowledgeable and creditable. I also appreciated the courteous handling of telephone contacts with Ms. Catherine Maznicki.

Yours truly,
