RE: Harvey E. Morse, P.A.

To whom it may concern,

We recently completed an estate settlement using Harvey E. Morse, P.A. We are pleased to say that our dealings with this company has been very satisfactory and would be happy to be contacted as a reference for this company.

We had the unusual circumstance to receive our first correspondence from Harvey E. Morse, P.A. company via e-mail. I am interested in genealogy research and Ari Morse, Vice President, contacted me after seeing a post concerning a relative. As you can quite imagine, I was very skeptical. However, I did my due diligence, checked the company with the Better Business Bureau and their references.

We have been very pleased with the way in which the company conducted itself on our behalf and the ability at all times to contact them for any questions or concerns. The replies were always very timely.

We may be contacted at the below address or by phone if a reference is wanted by anyone.

Sincerely,

A handwritten signature in cursive script that reads "Ted & Sue Kolnity".
