Gentlemen:

It is with pleasure that I write a few words of gratitude for the efficient and thorough manner in which your Company was able to locate some of my long lost relatives, while trying to settle an estate for us that we all were completely unaware of.

Through your efforts, I have been reunited with some of my cousins that I have not seen or knew the whereabouts of for the past 52 years. The monetary settlement that was arrived at was fair and gratefully accepted, but the bringing together of long-separated family members cannot be price tagged. We thank you.

I would like to request a copy of all my known relatives and their addresses, so I may continue to pursue my ancestral family tree.

Thank you again for your diligent effort in our behalf.

Sincerely,

Edwin S. Graham
