We had lost a family member
and did not know about it.
Ali was the one who contacted
us about it he was very
kind and caring.
And I wanted to thank him
for being so great he was
always willing to answer
questions and listen

Thank you
Dad

To whom it may concern,

I lost my sister in 04 and didn't
know she had passed away. Ali
was able to find me & my daughter
to let us know about Steadie's death.

I want to thank all of you for
your help, & especially Ali for his
kindness & help when asked

Thank you
Blanche
