

8/11/04

Dear Mr. Morse:

I appreciate the way in which your firm has handled the estate of Karl Weiss, of which I am part heir.

This is particularly true in this case, of which I would have been unaware except for your diligence.

Though it has been a protracted journey, you have worked honestly and professionally. I am especially grateful for your working so hard without the need for any monetary investment on my part.

Thank you.

Very truly yours,

Glenn Jetter
