

Ari & Morse!

I'm writing to let you know the service from Cassara's law firm was excellent. Hedya Cassara was the lawyer who dealt with me & she was most helpful. Hedya answered all my concerns & was most patient with me.

also, each time I called the Morse office everyone was polite & helpful. I never experienced a rud. person. I also want to say I never heard a complaint ~~with~~ ^{from} any family member.

We all thank you for your service in finding all the family members & the inheritance we all received from the Babenkof case.

I did in my last phone call to your office (3 weeks ago) request a copy of the family tree, marriage license birth certificates & anything you found on the family background. The clerk said you sent it to Bob Kobylitz but he denies that.

Thank you
