Re: ESTATE OF MARGARET M. REGNIAULT, DECEASED

Dear Mr. Morse:

Just a note to thank you for your persistence in tracking down the families involved in this case. Finding out there was a small inheritance after twelve years of my Cousin Edwards's death was incredible.

Your firm conducted the search in a very professional manor, never asking for any fees or charges. Thank you for your diligence.

Sincerely,

A handwritten signature in black ink, appearing to read "Eileen Griffin". The signature is fluid and cursive, with a long horizontal stroke extending to the left.
