

Mr. Harvey Morse & Ari Morse,

11/20/02

Thank you both for the fascinating class you recently held at Seminole Community College which I had the pleasure of attending. I had expected a typical "how-to" on tracing family trees & was delighted with your thorough & interesting professional work & history. Have you ever thought of writing a book?

Please let me know how I may be of any outside assistance on a freelance basis or via other avenues. I have an extremely diverse background & wide variety of experience.

Thanks again!! T.C. Langford
