Dear Corey,

I was waiting to thank you for the help on locating information on my grandfather, Walter Russell Chirpe, until I heard from California. As you can see I was able to obtain his death certificate and feel certain I have the right person. His birth year matches up with my mother's birth certificate. Even more interesting to me was the spelling of his mother's first name. It is the same spelling and name of my mother.

You have enabled me to put some closure to a fifty year old family mystery. I am going to try to get a copy of his birth certificate from the State of Illinois.

Thank you so much again for your help. I hope you like the pen.

Sincerely,

Larry Furlong
