

Dear Mr. Calabrese,

8-19-01

**THANKS!**

My father called me and we talked for a short while, then decided to meet the very next day. He was so excited and happy to meet me, it seemed as though we knew each other our whole lives! Thank you for this opportunity, it is because of you that I had the courage to go through with it. I have now inspired so many others who have lost loved ones by means of no communication, that they have gone to search their missing family members. Thank you so much. Valerie C. Seng
