Dear Sir,

My sisters and I wish to convey our appreciation of your services regarding the settling of our brothers estate. Without your good offices we would have been unaware of his whereabouts ,even though the family had ,over the years,tried to locate him. We would like to thank you for your handling of the financial side of things. You,at no time,asked for money up front,and we would never have known about the value of the estate but for you contacting us.

We are also interested in obtaining any small personal items such as documents,photographs,etc.We understand that this is not within your remit but would like your advice on the matter.We will gladly imburse any costs involved in this.

We remain,

Yours Sincerely,

Mary Bridget Ramsay,

Margaret Dunne.

Jane Kennedy.
