Dear Mr. Morse :

I want to "THANK YOU AND YOUR FIRM" for FOR LOCATING ME CONCERNING MY Uncle's estate and my inheritance. We had tried for years to locate him with no luck whatsoever.

Had it not been for your firm locating and contacting me, I would never have gotten the nice check, you just sent me.

My family and I are very grateful to you and the manner you and your firm handled this long and difficult case.

Cordially,

Virginia L. Whitson
