Re: Your file Ref: 05-3589  
Estate of Vera Steinmetz, Deceased

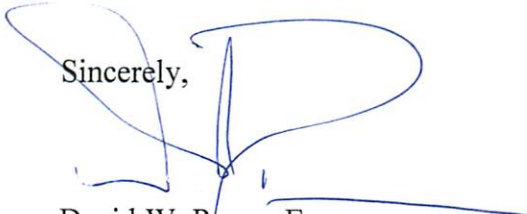

Dear Mr. Morse:

This letter is to thank you for all the assistance we received from your company in assisting us to find an heir in connection with the above estate.

I worked with Ari on this matter and he was most helpful and provided us with the information we required almost immediately.

We were very satisfied with the service and promptness we received. We would definitely use your company in the future should the need arise.

Sincerely,

David W. Payne, Esq.
