Dear Harvey:

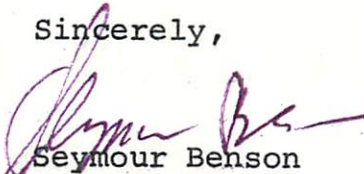

I would like to thank you and your company for the excellent work that has been done in assisting my office in completing certain estate matters.

The locating of heirs and the chart which you put forward was very impressive with the Court and I believe assisted in settling the pending estate.

Your efforts were diligent and thorough which I know required much research and investigation, and again, thank you for your assistance.

Please be assured that I will use your firm again in the future.

Sincerely,

Seymour Benson
