To Whom It May Concern:

It has been my pleasure to represent Locater's International, Inc., for approximately five (5) years. During that period, we have labored together on numerous estate matters. At all times I have found them thorough, diligent and cooperative.

Without their initiative and assistance, the assets of several of those estates would have been lost by the rightful heirs; the funds on hand would have escheated to the State of Florida under our Probate Code.

I know Locater's International, Inc., and its President, Harvey Morse, to be of the utmost integrity. Accordingly, I strongly recommend their employment in all geneological matters.

Sincerely,

Robert O. Marks
