RE: Estate of Chester Theodore Becker

Dear Harvey:

I am enclosing a copy of your Genealogical Affidavit booklet that you prepared in the above case that I did not have to use. I have also enclosed a copy of a stapled document you prepared for Zivia and her sister Chaja.

I am sending these to you with the thought that you may be able to use them as examples for your future clients. Hardly seems fair that your hard work should go to waste.

I really enjoyed working with you. Your work product and dedication to the case was a tremendous help.

Very truly yours,

Kris M. Klovers
