Dear Mr. Morse:

I just recently completed my work in connection with the Estate of Jennie Cirabisi. As usual, your company did an outstanding job in compiling the genealogy report.

I had initially used your services in the Estate of Vanderhoek which involved a decedent who was almost 100 years of age. Most of the records dated back to before 1900. I was so impressed with your work and so complimentary about your firm that I was actually questioned by a Law Guardian, appointed by the Court, whether or not I had a "relationship" with your firm and further questioned as to how I found out about your firm in Florida. You should have saw her face when I picked up a copy of the New York Lawyers Diary!

In any event I look forward to a continued "relationship" with you when need arises.

Very truly yours,

FRANK A. CATALINA
